

Contemporary Living is the perfect choice to present a fresh look at life in today's world. This text provides practical information for students to explore important topics such as personal development, relationships with family and friends, career options, healthful living, relating to peers, dealing with family crises, and managing family living. The objective, sensitive presentation of contemporary issues facing today's students gives them the information they need to make wise decisions. An inviting design energizes student learning. Reading Connection activities enhance reading skills. Explore features promote academic skills. Did You Know? and Teen Focus features cover important issues and offer useful facts. Career Sketches present snapshots of career options for students to consider.
