

The deteriorating economic and social climate in the eastern seaboard had Bill and June in a tailspin. Urged on by a business deal with a former acquaintance they decided to look for a better life. The family moves to a tiny town on the high plains in rural South Dakota. This story is about the family and how they interact with the people. As you read, you see them learn the culture and the climate of their new home town. The story is a light hearted tale of culture shock and humor. The book is intended to get you to smile. It is broken down into easy reading chapters. Most can stand alone as a short story yet the whole thing strings together into a novel about a family in transition from city to country. Flyover County has been called, A nice book about nice people. It is an escape book. Curl up on your favorite chair and travel with me to a place in Flyover County.
