

Blindness became Captain Scotty Smileys journey of supreme testing. As he lay helpless in the hospital, he resented the theft of his dreams, but with his wifes love and the support of family and friends, Scottys response became Gods transforming moment. Since the moment he forced his way through nurses and cords to take a simple shower, he has climbed Mount Rainier, won an ESPY Award, surfed, skydived, become a father, earned an MBA from Duke, taught leadership at West Point, and won the MacArthur Leadership Award. Scotty and Tiffany Smiley have lived out a faith so real that it will inspire you to question your own doubts, push you to serve something bigger than yourself, and encourage you to cling to a Hope Unseen.
