

Moo! the gorgeous hucow cried, startled. The two strapping cowboys continued to stare, taking in her luscious body and creamy, flowing milk. A new hucow is at the barn, and its up to Oribe and Cole to test her out. The two try some new milking techniques on the beautiful brunette, nursing as her tits grow from As to Double Ds. Join the two men as they break in the new addition to the herd. This is a 4,000 word short involving lactation fantasy, mfm menage, DP, and light bondage. See the Look Inside for a milk-engorged preview.
