

Is Bipartisanship Dead? is a status report on the condition of bipartisanship in the U.S. Senate and includes material from candid, on-the-record interviews with a dozen Democrats and Republicans. The book explores the distinct differences in bipartisanship in Senate committees and on the floor of the chamber and highlights the role of party leaders in promoting or discouraging bipartisan efforts. The book also asks the important question--Is bipartisanship necessarily a good thing?--and provides examples of flawed bipartisan legislation along with the views of critics of bipartisanship. Finally, the book delivers a dispassionate analysis of the vital signs of bipartisanship in the U.S. Senate and examines the constraints on bipartisan action in an era of polarized politics.

A Practical Guide to Risk Management, The Metamorphosis, Magnetic Storm, Vitamin C Testing (Old Edition) (Great Explorations in Math & Science), Theory of stock exchange speculation, Melting the Ice Queens Heart (Mills & Boon Medical), Daring to Dream, Chinese Paleo Cookbook: Delicious Chinese Paleo Diet Recipes to Eat Well and Feel Great, Aviation Maintenance Technician - General FAA-H-8083-30-ATB (Aviation Maintenance Technician Handbook), Becoming Aware: A Text/Workbook for Human Relations and Personal Adjustment,
