

Over the years, the titles in this popular series have helped ordinary consumers understand principles of prudent money management as a key to personal financial security. Written by experienced financial and investment specialists, Barrons Business Keys use non-technical language that takes the mystery out of business practices. They offer up-to-date advice on saving, investing, seeking mortgages and other loans, protecting ones assets, coping with taxes, and managing many other money-related issues. Updated to reflect conditions in todays fluctuating real estate market, this book discusses the many important factors related to the purchase and sale of foreclosed and bargain homes. The authors point out potential risks and benefits connected with such purchases.
