

The battle of Falaise, wrote General Eisenhower in 1944, will be the greatest killing-ground of the war. He was not far off the mark, for at Falaise the invasion ended and a new advance began that carried the Allied armies to Berlin. Elleston Trevor depicts the men of a tank squadron as they cross the silent, darkened channel, storm the invincible coast, and sweep into Falaise. His book is a classic story of men at war.
