

A new Fraser brothers adventure When a karate-chopping kindergartner named Charley moves in next door, Edward Fraser and his older brother, Jason, see mischief in the making. Charley is good at kicking, jumping, noise-making, and running wild. Hes not so good at staying out of trouble. Charley leads Edward a merry chase, complicating everything. A fragile egg baby is imperiled by his antics. The First Annual Mark Twain Memorial Jumping Frog Contest ends in controversy because of him. And Edwards ninth birthday celebration, an afternoon at the theater, requires special planning and has unpredictable results when Charley takes it for granted that hes invited. Booklist has compared Jane Cutlers previous Fraser brothers stories to the beloved classics by Beverly Cleary, and this fourth book lives up to the promise. With numerous comical pictures to boot, Leap, Frog is a choice chapter book for early readers.
