

Minecraft is a great game to play alone, but it gets even better if you do so with your friends. Whether you are on PvP (player versus player) mode where your goal is to be the last man or, in this case, the last Steve standing, or you are just trying to create a better world compared to those made by your friends, it would be to your advantage if you take note of the tips mentioned in this book. From farming tips to how to swiftly take out the enemy, you'll find everything you need here. Let's get started!
