

This memoir is about a woman who was born into a life of abuse and dysfunction and grew up surrounded by mental, physical, and sexual abuse. This was the only life in which she knew until the day she said, no more. The hopes and prayers she has in telling her story is to give hope to those who have gone through some sort abuse. And for anyone who abuses, knows someone who is abused or just anyone that thinks that their life has no meaning and wants to commit suicide. And it is also for those who just need a boost of motivation. You can make anything in your life good as long as you dont give into the bad. Not Today!!
