

Many of us have spent years living our romantic lives as if we are victims of our circumstances. We may have invested so much time and energy into complaining, fretting, and despairing over our circumstances that we now define ourselves by our perceived obstacles, bad luck, or mistreatment by others. Seeing hope through these filters is almost impossible. The Miracle I Almost Missed offers timely, practical advice for navigating through this maze of relationship disappointment to a place of hope and empowerment. It provides information that points the way to a more positive and hopeful approach to finding and keeping romantic relationships. Each chapter features a reality check that includes Finding Clues-questions that are designed to help you see your romantic life from a new perspective-and a Challenge, which offers alternative next steps. For anyone who has been burned by love, feels unattractive, is stuck in a dead-end relationship, or faces uncomfortable dating challenges, The Miracle I Almost Missed can be the first step to new hope!
