

When an unidentified corpse washes ashore at Slapton Sandson Englands southern coast, US army captain Billy Boyle and his partner, Lieutenant Piotr Kaz Kazimierz, are assigned to investigate. The Devonshirebeach is the home to Operation Tiger, the top-secret rehearsal for theapproaching D-day invasion of Normandy, and the area is restricted; no one seems to know where the corpse could have come from. Luckily, Billy and Kazhave a comfortable place to lay their heads at the end of the day: Kazs old school chum David lives close by and has agreed to host the two men during their investigation. Glad for a distraction from his duties, Billy settles into life at the familys manor, Ashcroft, and makes it his mission to get to know its intriguing cast of characters. Just when Billy and Kaz begin to wrap up their case, they find themselves with not one soggy corpse on their hands but hundreds following a terrible tragedy during the D-day rehearsal. To complicate things, life at Ashcroft has been getting tense: secret agendas, buried histories, and family grudges abound. Then one of the men meets a sudden demise. Was it a heartattack - or something more sinister?
